

KAIPARA DISTRICT COUNCIL

Election of two (2) Councillors for the Dargaville Ward

Brian BURNETT

I am a long-term resident of Dargaville, and with my wife Prue, own a retail business here. I am a current Kaipara District Councillor.

Council's decision to build the proposed 50m pool complete at Selwyn Park has my full support.

Long-standing parking problems in Dargaville have recently been addressed – a move I fully support as a main street

retailer.

I believe Council's pragmatic response to the debate on powerboat use of the Kai Iwi Lakes was responsible and progressive.

The difficulty in small communities of recycling and refuse continue to challenge our council and I am encouraged by recent development which should deliver on integrated waste/recycling facility.

I have gained considerable satisfaction in assisting numerous constituents who have raised with me concerns they have had with Council's operations, and am committed to continuing to work for the Dargaville Ward, and the wider Kaipara District if re-elected.
