

KAIPARA DISTRICT COUNCIL

Election of two (2) Councillors for the Dargaville Ward

Brian MCEWING

Having been one the of the elected members of council for the Dargaville ward for the last three years, I have found life as a councillor has been a huge learning curve. If I knew then what I know now, I probably never would have stood for council. However, now that I have spent the last three years learning the role, I would consider that I would be doing the ratepayers of Dargaville a disservice if I was not to make myself available for re-election. If re-elected I will endeavour to continue doing my bit to serve the people of Dargaville with practical commonsense solutions.
