

KAIPARA DISTRICT COUNCIL
Election of two (2) Councillors for the Dargaville Ward

Ian SMITH

I'm married with 3 adult sons. Gail and I both live and work in the Dargaville district. I've spent my working life in dairy farming with 20 years in dairy manufacturing, 10 years of which I held senior management positions. I'm presently self-employed in real estate. What I value are my personal and work ethics. It's imperative to me that people come first. I believe in and practice honesty and open professionalism. My personal attributes along with my financial/business knowledge I'd bring to a council position. I've a pro-active attitude towards sport and community projects, including Rotary, tennis & rugby. My reason for standing for council is to improve the promotion and prosperity of the Dargaville township and the wider community as a whole. It's imperative with the changes that are occurring in our community to ensure that the changes are what the community needs and wants for future generations.
