

## Mangawhai EcoCare Wastewater Scheme Kaipara District Council in Partnership with Earth Tech

Construction of the scheme is now well underway, with multiple crews installing sewers plus clearing of the treatment plant site due to commence shortly. Streets that will be affected by public sewer construction works in the next fortnight are;

- Fagan Place
- Taranui Place
- Kanuka Place
- Eveline Street
- Awatea Street

At least 7 days before we actually plan to start work in your area, you will receive a letter advising of this, including an invitation to street corner meetings and to contact the EcoCare team to discuss any queries or concerns regarding your particular property.

### Community Liaison Group

The Community liaison Group that was instrumental in getting this project under way in the early days has been reinstated to assist community and the EcoCare Team alike in passing on information and answering commonly asked questions. At this stage members include;

Local Councillors	Cr. Tom Smith	09-431-5522
	Cr. Julia Sutherland	09-431-4607
New Infrastructure Portfolio	Cr. Graham Taylor	09-431-7209
Community Liaison	Melanie Smith	09-431-4380
Earth Tech Project Manager	Ian Fones	0272-148482
Residents and Ratepayers Assn	Bill Bygrave	09-431-2057
Non-Resident Representative	Don McLean	09-410 0229
Te Uri O Hau Representative	Juliane Chetham	09-438 9316

Please feel free to call any of the above if you have queries or concerns. We will be meeting regularly to discuss communication aspects of the project and impacts on community during construction.

You can also email me if you have any queries, concerns or if you want to be added to our email database to receive fortnightly programme and progress reports.

Kind regards

Melanie Smith
