TO AVOID DELAYS IN PROCESSING OF YOUR APPLICATION PLEASE ENSURE YOU HAVE ATTACHED/PROVIDED THE FOLLOWING INFORMATION:

- Fire manufacturers installation instructions and specifications (2 copies).
- Secondhand fires require a certificate from Craftsman plumber or Home Heating Association Member
- Floor plan as described above (2 copies, if applicable). With smoke alarm locations
- Receipt for payment of fee for this application.
- Please check ALL details on this form are filled out and **ENSURE YOU HAVE SIGNED the declaration at the bottom of page one.**
- Application fee of \$253.00 or \$143.00 when installed by a member of the New Zealand Home Heating Association and a Producer Statement submitted to Council.

Declaration: 'This Heater will be installed to Building Code Requirements'

Signed:

Date:

Receipt Number

Date:

Please ensure that you enter the area total area of your property on the application form

Use this space to show the location of the appliance. Please ensure this accurately shows:

- Location of the heater within the building
- Smoke alarm locations
- Location of adjacent walls, windows and doors.
- Location of existing hot water cylinder if a wetback/hot water booster is to be fitted (a tempering valve will be required).

Floor Plan

Note

- That the installation of solid fuel heaters must be in accordance with the manufacturers instructions and AS/NZS 2918 2001 and are **to have seismic restraints** to comply with B1.3.3 of the Building Regulations. **Gas heaters** (permanently fixed in place) do not need a building consent, but they must be installed by a registered gas fitter who will certify their own work.
- Producer statement or energy works certificate may be required before CCC can be issued
