

Kaipara District Council

## DISTRICT GROWTH FACILITATOR

I need someone who can make things happen, listen, understand and then convince people that the Kaipara is the greatest place to live, work and play because:

The Kaipara District Council wants

- More people living here!
- More people visiting!
- Existing businesses growing!
- New businesses established!

**Can you make this happen?**

**Then call me (021 736164)!**

You will need to develop a simple, realistic economic development strategy and then deliver the outcomes. You will do this by working with existing businesses and businesses that can relocate, developing strong networks and concentrating on the key goal: -

### **Making things happen in Kaipara**

The goal is to promote the region and also attract new business, and enhance existing business particularly by aiding them through Council and Government processes.

For more information, job description or personal specifications please telephone Claire or Jack at Kaipara District Council on 09 439 7059.  
email: [cmcinnes@kaipara.govt.nz](mailto:cmcinnes@kaipara.govt.nz) or [jmckerchar@kaipara.govt.nz](mailto:jmckerchar@kaipara.govt.nz)
