

Kauri Coast Community Pool Trust

KAURI COAST COMMUNITY POOL MANAGER

We need someone to make our new pool
complex more than just a pool!

Using:

- Strong leadership
- Original ideas
- Passion for leisure
- Upbeat promotion
- Well planned programmes

You will need to develop programmes that meet the needs of all users, be able to attract new users while maintaining high standards of presentation. All this and be able to manage the asset into the future

We are going to provide a facility that is appreciated and used by all, locally and regionally both recreationally and competitively.

**If you have got what it takes to make this
happen and more we want to hear from you.**

Call Claire (021 736 164) or email Vern on vern@sel-pk.ac.nz
