Kaipara Biodiversity Improvement Fund

The Kaipara District Council has set aside \$15,000 for a contestable Kaipara biodiversity (native animals, plants and environment) improvement fund

This is to help and encourage people to restore and improve Kaipara's natural environment

Who can apply?

Any individual or group with a project that will enhance native biodiversity within the Kaipara District. Private landowners, community and conservation organisations, local Maori groups and schools are all eligible to apply

Process

Applications close on 21 March. Applications will be assessed by a Council committee in March in accordance with the criteria and a recommendation made to the full Council in April on which applications get funded and their level of funding

Examples

Examples of projects that may be funded include protecting native bush or wetlands by fencing out stock, dune care, animal and pest control to enhance biodiversity, plantings to enhance native bush or wetlands

Criteria

Council will consider applications in terms of the following criteria:

- Benefit to the native biodiversity in Kaipara
- Extent of other contributions to the project, eg. voluntary labour
- Degree of community benefit

Conditions

- No more than 50% of the cost of the individual projects may be funded through the contestable fund
- All funded projects need to be completed within the stated time and standard before reimbursements are made
- Projects designed to generate personal or commercial profit, as well as "amenity works" or in relation to resource consent requirements will not be eligible

Available Funding

A contestable fund of \$15,000 is available for reimbursement of project costs

Post

Kaipara District Council
Private Bag 1001
Dargaville 0340

Or

Deliver it to Council offices,
Hokianga Road, Dargaville
