Good morning Meagan

After reviewing the officer's section 42A report and accompanying documents and speaking with the Northland Provincial President, I wish to advise that Federated Farmers does not attend to present evidence or appear at the hearing for Hearing 18. The recommendations made by the officer in respect of our submissions and further submissions to the natural character are supported by Federated Farmers. We appreciate the time and consideration given to our submission points and further submissions.

Federated Farmers reserves the right to revisit its position upon the release of the decisions on the Proposed Kaipara District Plan.

Could this email please be table at the hearing for the Panel's information.

Regards

**Jo-Anne Cook Munro**
