Dear Commissioner,

**Tabled Letter: Proposed Kaipara District Plan – Hearing Number 2 (Part 2 – General District-Wide Matters – Light)**

We refer to the submission by the NZ Transport Agency Waka Kotahi (NZTA) dated 30 June 2025 on the Proposed Kaipara District Plan, referenced as submission number 330.

We have reviewed the Reporting Officer's report including the recommended amendments to the light provisions. NZTA supports these provisions as notified and does not wish to be heard at the hearing for the light provisions. As our state highway network is designated in the Proposed Kaipara District Plan these provisions don't apply within NZTA's existing designations. NZTA respectfully requests this letter be tabled as a record of NZTA's position.

NZTA intends to present on its more substantive submission points at future hearings, following the invitation for further submissions on the relevant topics.

If you have any queries with regard to this letter, please do not hesitate to call me on 09 956 5631 or email [Adam.Jellie@nzta.govt.nz](mailto:Adam.Jellie@nzta.govt.nz)
