Dear Commissioners,

**Tabled Letter: Proposed Kaipara District Plan – Hearing Number 8 (Part 2 – General District-Wide Matters – Signs)**

We refer to the submission by the NZ Transport Agency Waka Kotahi (NZTA) dated 30 June 2025 on the Proposed Kaipara District Plan, referenced as submission number 330.

We have reviewed the Hearing 8 – Section 42A report including the recommended amendments to the provisions. NZTA supports the recommendations set out in the Section 42A report, which includes the addition of an advisory note. Given this, NZTA does not wish to be heard at this hearing. We respectfully request this letter be tabled as a record of NZTA's position.

NZTA intends to present on its more substantive submission points at future hearings which are scheduled for later this year.

If you have any queries with regard to this letter, please do not hesitate to call me on 09 956 5631 or email [Adam.Jellie@nzta.govt.nz](mailto:Adam.Jellie@nzta.govt.nz)

Yours sincerely,

Adam Jellie
