**Submission:**

I want to congratulate the team at KDC for their hard work, vision and planning for a great future in this special part of the country!

This plan will enable the district to grow as it should and will bring more people and prosperity to our region. In the past we have been lagging behind the rest of the country in terms of growth, this proposed plan should make a world of difference - especially with the motorway coming further north.

I fully support your vision for growth - great work!

**Relief sought**

Push this plan though!
