You don't often get email from [dennisandedithking@gmail.com](mailto:dennisandedithking@gmail.com). [Learn why this is important](#)

I have had difficulty in filling out a submission on this plan review- but as being a resident of Dargaville for 7 years I endorse any part of the plan that encourages growth in land available for housing—industry which I believe has been hindering Dargaville and the region to develop its potential and prosperity.

Additionally a larger number base for rates would help provide more income for badly needed upgrades—Water supply—Footpaths to name some.

Kind Regards to the Review Team. Dennis King. 18 Phoenix Place Dargaville.
