Chapter/ Appendix/ Schedule/Maps	objective/policy/ rule/standard/ overlay	Oppose/support (in part or full)	Reasons	
		I have concerns Regarding the Plan. ① our Rates will go to industrial. Can these go up to push us off our land.		The people that have just a residential home. Rates should stay the same.
		② If this goes ahead it will devalue our properties. I bought this property 3 years ago. Did get a limb etc - nothing recorded of this. Have spent over 150 thousand doing my home up. Looking at in about 8 years selling it. With idea it will give me enough to go in a rest home. With this happening it will be abit of a lemon.		Be compensated if it devalues our homes.
		③ Need to be grandfathered. This important. It guarantees we are not put out of our Properties. And if just a house can be sold and the new owner can carry on living in it as that or when sold a industry can buy it.		Grandfathering has to come in.
		④ If we are here and noicey business go in they have insulation to keep noise down.		all business insulated for noise.

Add further pages as required – please initial any additional pages.

⑤ Speed on our roadway unreal. With Awakino East Road having building & business, so near misses. The limit 100 young ones go about 140 - 150.
