The more specific you can be the easier it will be for the Council to understand your concerns.)</i>
Chapter/Appendix/ Schedule/Maps	objective/policy/rule/ standard/overlay	Oppose/support (In part or full)	Reasons	
PA-01	Public Access	Support in part	The section only refers to coastal and water bodies.	The is no reference in the plan to public access to Council's largest recreation reserve which falls into neither of these categories. This Lincoln Downs 140ha recreation reserve is of significance not just to Kaipara but to the whole Northland region. The issue of public access to such an area is nowhere accommodated in the proposed plan. The lack of access to such an area is as important, if not more important, than current constraints on coastal areas and water bodies.
