Submission:

I am filing this submission on behalf of Progressive Paparoa and our membership.

As a community advocate group for the Paparoa township and surrounding districts we have a concern with the lack of diversity in the zoning of Paparoa, there is no room for commercial or industrial growth which will be the savior for our town and its long term economic viability.

Some properties which currently or recently had commercial businesses are now zoned residential which will restrict the versatility of the location.

Relief sought

We would like the addition of commercial zoning to include the whole 'main road' between the 70km signs, including a continuation up Franklyn road and Paparoa Oakleigh road to ensure that there is room for the growth of Paparoa in the future.

Summary of decisions sought

AMEND the commercial zoning in Paparoa to include the whole 'main road' between the 70km signs in Paparoa Township including a continuation up Franklyn Road, and Paparoa Oakleigh Road.

Summary of reasons

Ensures there is room for the commercial growth of Paparoa in future.

There is a lack of diversity in the zoning of Paparoa.

There is no room for commercial or industrial growth which will be the savior for our town and its long term economic viability.
