2. Eligibility to make a further submission *(for information on this section go to RMA Schedule 1, clause 8)*

I am (select one of the following options):

A person representing a relevant aspect of the public interest.

In this case, also specify below the grounds for saying that you come within this category.

A person who has interest in the proposal greater than the interest that the general public has.

In this case, also specify below the grounds for saying that you come within this category: or

The local authority

3. My reasons for selecting the category ticked above are:

(For example: Any person representing a relevant aspect of the public interest would likely include public interest environmental groups

OR

Any person that has an interest in the proposed policy statement or plan greater than the interest that the general public has is likely to include owners of land and users of resources directly affected by plan provisions. It is also likely to include iwi and hapu where their interests are directly affected.)

Atlas Quarries Limited (Atlas) has an interest in the proposal greater than the interest that the general public has because:

- Atlas owns and operates two existing quarries in the Kaipara District and is directly affected by the plan provisions.
- Atlas is an established quarry operator who may expand their operations in the Kaipara District in the future.
