**Also I think KDC has made a mistake: you have listed original submitter G Mather (171.1) view on**

outdoor GE/GMOs in error.

Let me explain- you (KDC) have listed G Mathers original submission on GE/GMOs topic as “oppose” however his/ her request was that KDC needed to add the valuable precautionary and prohibitive GE/GMOs Genetic Engineering provisions, policies and rules that were previously in the KDC Draft District Plan (proposed by KDC and well supported via submissions received) Trade Competition question:

I thank you for the opportunity to submit to the KDC Proposed District Plan.
