We are satisfied as to the matters to which we must have regard as set out in ss.105 and 131 of the Act and we grant the application for renewal of an on licence under s.202 (1).

The existing licence is deemed to be current under s.122 of the Act.

We renew the licence until 03 November 2019 pursuant to s.135 (1) of the Act, that being the anniversary of the licence and three years from the most recent expiry and authorise the issue of a replacement licence and a notice of renewal.

The licensee's attention is drawn to condition (c) of replacement licence 03/CL/009/2016 to ensure that potable drinking water is readily available and free of charge to customers at all times that the licensed premises are open for business. Signage directing people to drinking water must be prominently displayed on the premises at that time.
