We are satisfied as to the matters to which we must have regard as set out in ss.105 and 131 of the Act and we grant the application for renewal of an on licence under s.202 (1).

The existing licence is deemed to be current under s.122 of the Act.

We renew the licence until 14 December 2019 pursuant to s.135 (1) of the Act, that being three years from the first anniversary date of the licence and authorise the issue of a replacement licence and a notice of renewal.

The licensee's attention is drawn to the condition of replacement licence 03/ON/016/2016 to ensure that potable drinking water is readily available and free of charge to customers at all times that the licensed premises are open for the sale and supply of alcohol. Signage directing people to drinking water must be prominently displayed in the premises at that time.
