Kaipara District Policy on Dogs

1 Background

The Dog Control Act 1996 (the Act) section 10 requires Council to adopt a policy on dogs. This Policy has been developed in accordance with the Act and, as per section 10(4) of the Act, gives regard to:

- a) the need to minimise danger, distress, and nuisance to the community generally;
- b) the need to avoid the inherent danger in allowing dogs to have uncontrolled access to public places that are frequented by children, whether or not the children are accompanied by adults;
- c) the importance of enabling, to the extent that is practicable, the public (including families) to use streets and public amenities without fear of attack or intimidation by dogs; and
- d) the exercise and recreational needs of dogs and their owners.

The Council recognises that the majority of dog owners are responsible and that most interaction between dogs and the public is positive. This Policy aims to achieve a balance between the control of dogs and recognition of the health benefits of dog ownership. The Policy also aims to keep dogs as a positive part of Kaipara communities by maintaining opportunities for dog owners to take their dogs into public places, while adopting measures to minimise any inherent problems caused by dogs.

As well as protecting the safety of our community and recognising that dog owners are responsible for the exercise of their dogs, Council also recognises the need to protect other animals including wildlife, and significant habitats of indigenous fauna.

Council's Dog Management Bylaw 2019 gives effect to Council's Policy on Dogs 2019 and should be read in conjunction with this Policy.

2 Objectives

This Policy on Dogs aims to:

- 1 Prevent injury, distress and nuisance from dogs.
- 2 Identify dog access areas.
- 3 Provide for the neutering of menacing dogs.
- 4 Minimise potential danger or distress to farmed animals, other animals and protected wildlife.
- 5 Promote responsible dog ownership.

4 Policies

- 1 Council will provide for the dog access areas which are identified in Schedule 1 and Schedule 3 of this Policy.
- 2 Council will promote the responsible ownership of dogs, including care and control around people, protected wildlife, farmed animals, other animals, property and natural habitats.

What does it mean to be a responsible dog owner?

- Register and microchip your dog.
- Teach your dog basic obedience (keep your dog under control at all times).
- Ensure your dog has adequate exercise.
- Know the best locations where you are allowed to exercise your dog.
- Be particularly vigilant near children and closely supervise interaction.
- If your dog ignores commands: put your dog on-leash, shorten the leash, or avoid the area altogether (even if in an off-leash area).
- Respect other people's personal space. Public places are for everyone's enjoyment and not everyone is fond of dogs.
- Ensure your dog cannot leave your property by itself.
- Know when your dog must be on a leash, and always carry a leash.
- Pick up after your dog and carry the means (e.g. a bag) to pick-up your dog's faeces and properly dispose of it.
- Ensure your dog does not disturb people, protected wildlife, farmed animals and other animals.

- 3 All dogs registered within the district and classified as menacing by Council or any other territorial authority must be neutered.
- 4 Council will regulate, dog access in public places, and specific owner obligations to minimise dog aggression and nuisance not already covered in legislation in accordance with a bylaw enacted under section 20 of the Act, and which is consistent with this Policy.
- 5 Dog registration fees will be reviewed annually. All fees relating to dogs will be set out in Council's Schedule of Fees and Charges. These include dog registration fees, surcharges as set by the Act, impounding fees and infringement fees.
- 6 The Council will, unless satisfied that the circumstances of the events are such that disqualification is not warranted, disqualify from owning any dog any owner who:
 - a. Commits three or more infringement offences within a continuous period of 24 months;
 - b. Is convicted of any offence (not being part of an infringement offence) against the Act;
 - c. Is convicted of an offence against Part 1 or Part 2 of the Animal Welfare Act 1999, or section 26ZZP of the Conservation Act 1987 or section 56I of the National Parks Act 1980.
- 7 The Council will, unless it has disqualified that person from being an owner of a dog under section 25(1) of the Act, classify as probationary any owner who:
 - a. Is convicted of an offence (not being an infringement offence) against the Act or Part 1 or Part 2 of the Animal Welfare Act 1999 in respect of a dog, or any offence against section 26ZZP of the Conservation Act 1987 or section 56I of the National Parks Act 1980; or
 - b. Commits three infringement offences within 24 months.
- 8 Council will require every person it classifies as a probationary owner to undertake, at their own expense, a dog owner education programme or a dog obedience course (or both).
- 9 Infringement notices will be issued by Council's Authorised Officers where they have reasonable cause to believe that any person has committed an infringement offence under the Act. It is not necessary for an Authorised Officer to witness the offence.

5 Changes to this Policy

This Policy, including its Schedules, may be amended at any time, using the "special consultative procedure" under the Local Government Act 2002 in accordance with sections 10(8) and 10(8A) of the Dog Control Act 1996.

Schedule 1: Off-leash, On-leash and Prohibited Areas

Council imposes three types of dog access rules for public spaces within the district:

- b) On-leash area – dogs may have access to this shared space on-leash and under control.
- c) Prohibited area – no dog access.

Restricted and Prohibited access areas – The following rules are in place to ensure the safety of the public, to reduce the risk of any dog-related harm while also providing for the well-being and recreational needs of dogs and their owners.

Refer to Clause 3 of the Dog Management Bylaw for Disability Assist Dog and Working Dog access exemptions.

Note: By default, all public places within the district (including beaches and roads) are off-leash areas unless identified as an on-leash area or a dog prohibited area.

In addition to the above, dog access to many areas of public conservation land in the Kaipara district is controlled by the Department of Conservation (DOC). It should be noted that dog access restrictions imposed by Council do not apply on public conservation land where DOC has imposed their own restrictions under section 26ZS of the Conservation Act 1987. Dog access restrictions on DOC land as at the date of adoption of this Policy are listed in Schedule 2. Please visit <https://www.doc.govt.nz/> and put in keyword “dog” for further information.

Recommended off-leash Areas – These areas have been identified as particularly suitable for dogs being off-leash and under control; however, this is by no means an exclusive list. These shared public areas will be promoted as off leash as they are able to provide for the well-being and recreational needs of dogs and their owners, as well as providing for other recreational needs.

Recommended Off-Leash and Under Control
Mangawhai – Mangawhai Community Park walking trails.
Mangawhai – Mangawhai Surf Beach north of the first set of rocks.
Kaiwaka – the reserve on the corner of Settlement Road and State Highway 1.
Dargaville – Northern Wairoa Memorial Park (when the fields are not being used for sports or events).
Te Kopuru – Te Kopuru Domain.

Schedule 2: Department of Conservation Controlled and Open Dog Areas

In addition to those dog access restrictions imposed by Council, the Department of Conservation (DOC) is also able to impose restrictions on the land they administer under [section 26ZS](#) of the Conservation Act 1987.

This Policy shall identify any land within the Kaipara District that is included in a controlled dog area or open dog area under [section 26ZS](#) of the Conservation Act 1987.

There are four different dog access rules applicable. These are:

- a) **Controlled Dog Areas: No Access ('Controlled No Access')** – These areas are prohibited to dogs at all times.
- b) **Controlled Dog Areas: Entry by Permit for Management and/or Recreational Hunting Subject to Conditions ('Controlled Permit'):**
 - the number of hunting dogs is limited to three per hunter;
 - all farm dogs must at all times be under the supervision of their owner or other responsible person.
- c) **Open Dog Areas: Lead Subject to Conditions ('Open Lead'):**
 - all dogs shall be kept on a lead not exceeding three linear metres;
 - faeces to be removed.
- d) **Open Dog Areas: Free Subject to Condition ('Open Free'):**
 - at all times dogs must be under control by voice command.

The following table sets out the rules that apply under [section 26ZS](#) of the Conservation Act 1987 to different areas of the Conservation estate in the Kaipara district.
