Overview of the Private Plan Change Proposal

The purpose of this Private Plan Change is to provide for a viable and sustainable mix of land uses on the former Racecourse site that complements and supports the growth of Dargaville.

The key features of the proposal are:

- A variety of residential sites and housing typologies including a retirement village, larger lot residential, retirement style living, and papakāinga style living where shared facilities or amenities are provided for.
- An overarching philosophy of Hauora or community wellbeing, to ensure there is a strong heart to this neighbourhood, a well-functioning urban environment that provides accessible and vibrant community shared spaces, facilities, and services.
- A Neighbourhood Centre Area catering for the community's day-to-day needs within an easily walkable distance.
- A Light Industrial Area to provide for business activity growth, while compatibility is managed
- Public Open Space Areas providing for informal recreation and Hauora community wellbeing enabling shared community food gardens and orchards
- Walking and cycling, both within the Development Area and linking the site to Dargaville town
- Encouraging sustainability and resilience through supporting onsite harvest and storage of rainwater, and supporting individual onsite solar power generation
- Reticulated water and wastewater services.
- Blue-green network to address the dual purpose of stormwater management and walking/cycling linkages.

The Private Plan Change consists of Objectives, Policies Rules, and Standards while the changes to the existing Rural zoned land are shown on the Zoning Map as a Development Area and consists of five different Areas as follows, along with their approximate sizes:

- General Residential Area (GRA) 23.67ha
- Large Lot Residential Area (LLRA) 3.44ha
- Light Industrial Area (LIA) 9.53ha

- Neighbourhood Centre Area (NCA) 0.28ha
- Open Space Area (OSA) 5.75ha.
