Having only one main road (Awakino Rd) for the new subdivision to come off is going to put Awakino road under immense pressure. It is not curbed and the drains huge, open and dangerous!!  
Living in Phoenix Place myself, we have seen how the council have failed miserably in planning decent drainage, especially the storm water and sewerage. Then they have just allowed the completion of Samsons Way and again, failed even worse with the drainage on that one.  
If you are going to allow a new subdivision, which we aren't actually against, but will oppose it if the roading infrastructure and drainage isn't planned properly!!
