### Overview of the Private Plan Change Proposal

The purpose of the private plan change is to rezone an area in Mangawhai to a Residential Zone. The key features of the plan change are:

- Rezone 218.3 hectares of land between Tara Road, Cove Road, Moir Road, and Old Waipu Road in Mangawhai.
- The creation of a Mangawhai Development Area with core provisions, that to protect ecological features, promote high-quality urban design, provide open space and connectivity; and
- Any necessary consequential amendments to the Kaipara District Plan Maps.

You can read the Private Plan Change application documentation on the [Kaipara District Council website](#).

**Submission Point 7.1**

I support the proposed residential zoning change and subdivision for the Mangawhai Hills development. My understanding is that this development will be as self-sufficient as practicably possible, and this will enhance the growth of Mangawhai.

However, I suggest the current paper road above/adjacent to Kahu Drive and Daphne Place that is included in this zoning change to be retained as green space. There is currently a lot of native planting in this area and a lot of native birds use this as nesting and a flight connection path to the estuary and other habitats. It is very important that with the rapid growth in Mangawhai, green spaces are retained or created for the betterment of all residents and public forever. Once these spaces are gone, we can never get them back. This strip of (Crown) land is also well utilised by residents for exercise and walking dogs.

As this paper road is not currently available for subdivision, the logical solution is to approve the zoning change for the Mangawhai Hills development and retain/ensure the paper road is kept as public green space.

**Example - supports the growth of Mangawhai**
