Mangawhai Hills

The Mangawhai Tracks Charitable Trust (Trackies) believe public access to the remnant of coastal kanuka/manuka forest on the Mangawhai Hills estate is of very high significance to the wider Mangawhai community. It provides the opportunity for a public walkway within a few minutes of the Mangawhai Village, and the Trust is privileged to have worked with the developers in identifying the best line for such a forest walk. The forest, currently dominated by kanuka and manuka, also includes significant totara, tanekaha and puriri. With the now exclusion of grazing stock the diversity of species can be expected to increase rapidly.

The Tracks Trust strongly supports the efforts of the developers to protect, enhance and provide public access to this forest remnant and we will continue to work with them to maximise the community benefits within the Mangawhai Hills development.
