Submission Point 48.1

On the basis that the Mangahai Hills documentation which has been presented both via KDC, and via the Mangahai Hills project office, has a major primary road bisecting Tara Road and Old Waipu Road North, and which has a junction onto Old Waipu Road North, I object to the zoning change until such times as further detail is provided about how Mangahai Hills will manage one of the major primary roads in their development, which exits onto a private road, being Old Waipu Road North.

Residents, myself included, on Old Waipu Road North are currently entitled to, and have quiet enjoyment. Allowing one of the primary roads within the Mangahai Hills development, to intersect onto Old Waipu Road North, will remove this.

If either KDC or Mangahai Hills can provide some insight into the plans for Old Waipu Road North, and any possible connection to Old Waipu Road, and, how the developers believe that their major primary road can intersect onto Old Waipu Road North, being a private road not maintained by Council, then I may reconsider my objection.

KDC are well aware that the private Old Waipu Road North is currently not capable of taking any further vehicle traffic.

Submission Point 49.2:

I am aware of the paper road status in play here, but a significantly greater level of detail is required here on just how this is proposed to be managed.

Example - supports the growth of Mangahai
