KDC should retain the current zoning and deny the application because:
Mangawhai does not have the infrastructure required to accommodate the changes that PPC85 will bring about.

- * Our roads are already woefully inadequate especially around the Black Swamp Rd area.
- * The number of sections approved through plan changes has already far exceeded advice from the experts.
- * Our wastewater infrastructure is already reaching capacity in the concentrated area which it serves expanding that area across the estuary would be expensive and foolish.
- * We already have 3 commercial areas; we do not need a fourth
- * We already have ample provision for growth and extensive developments (eg The Hills) which are far better locations for expansion.
