Absolutely insane.

The huge increase in traffic on the access road into Mangawhai village flies in the face of all common sense.

The Mangawhai -Tomarata Rd is already woefully inadequate over summer and every long wknd public holiday.

Every day of the school week at peak drop-off and pick up times the traffic flow on Insley St past the school is chaos saved only by the considerateness of all involved.

The bottom line that childrens behaviour is unpredictable means the risk of a child being injured or killed is already far higher than safety levels should permit.

Go somewhere else with your development.

Somewhere that at least begins with common sense and care for Mangawhai's residents

I agree with all the reasons stated in the Mangawhai Focus August 11 p3 'Mangawhai East plan stirs opposition'.
Please refer to this article. It states the case very clearly.

Again ecologically this development is high risk disaster awaiting and is simply common sense not the right place for your development.

Go elsewhere.
