Submission Point	The specific provisions of the proposal that my submission relates to (e.g. provision number, map)	Oppose or Support	What decision are you seeking from Council? Select which action you would like: •Retain •Amend •Add •Delete	Reasons
1	DEV XP3 - 2 Transportation and Connectivity	Oppose	Amend the policy to require a roundabout	A right hand turn bay will be insufficient
2	Business Neighbourhood and Mixed Use Centre Zone, Objectives and Policies and Rules	Oppose	Delete	Mangawhai has a number of commercial and business areas already which has created a level of urban commercial sprawl throughout Mangawhai and Mangawhai Heads and another commercial area will potentially empahsis the adhoc commercial sprawl through the area and create adverse amenity effects.
3	DEV - XLU - R6 - Comprehensively designed residential developiment	Oppose	Delete rule and associated objectives and policies	350m2 is too small for Mangawhai there are no sites in Mangawhai that are this small, this level of intensification is inappropriate and not consistent with the character or amenity values of the coastal township.
4	Objectives and Policies	Oppose	Add in an objective and policy related to reverse sensitivity	At present the sites are zoned rural and land use is rural in nature such as farming and horticultural practices, there is the potential for adajcent neighbours to complain about the rural uses on site, therefore a objective and policy regarding reverse sensitivity is required to ensure that future owners can not and do not complain about adjacent farming and horticutral uses.
5	DEV-XLU-R3 1(a) Visitor Accomodation	Oppose	Delete	The rule provides for up to 50 guests which will create additional noise, traffic and have an adverse effecct on the character and amenity values of the area.

6	DEV XLU s4 3(a) Setbacks from Internal Boundaries	Oppose	Delete	3a rule enables townhouse type development, this is inappropriate in the area and will have adverse effects on the character and amenity values
7	DEV XSUB S1-1 Density / Minimum Site Size and any relevant objectives and policies and other relevant rules	Oppose	Amend / Delete	Medium Density Residential Zone change to low density residential zone
8	DEV XSAUB S3 2 Esplanade and Other Reserve Enhancement	Oppose	Amend	Change the pest and weed control timeframe from 6 months to 5 year by the developer and then in perpetuity by Council
9	DEV X REQ 2 Subdivision or Development that will enable 50 or more residential units or residential unit equivalent in the development area	Support in part		Support the walkway to the village
