Please note additional information may be required before your Offensive Trade Licence is granted.

Compliance with the statutory legislation under the Building Act / Resource Management Act may be required. It is therefore recommended that you contact the Kaipara District Council Planning and Building Departments to ascertain which regulatory requirements apply.

Your proposal will require the approval of the Medical Officer of Health.

Please also ensure that the proposed activity complies with the Northland Regional Council.

- If the proposed activity involves buildings or structures, then detailed plans of the proposed buildings or structures are required. (A Building Consent may be required).

If you require further information or assistance regarding this application please contact our Health Administrator on 0800 727 059 ext. 642.
