

Kaipara District Council

Electing the Mayor

Jason SMITH

My principal place of residence is in the Kaipara District Council area.

Tena koutou nga tangata ki te Kaipara District. Since the people of Kaipara's mandate at the February 2018 by-election I have been getting on with the job. Starting fresh as Kaipara's first full-time Mayor has meant real progress for Kaipara. With care, passion and commitment I've brought new energy, ideas and focus to Council's work for you. Results show we're on the right track with managed debt, improved roads, encouraged growth, and a lean and efficient Council with renewed direction, restored stability and a refreshing openness. My proven record as Mayor can be counted on to continue stable leadership, building on the foundations of the last 18 months and making real progress for Kaipara. You've seen me in action. I'm trusted, capable and only just getting started as Mayor for the mighty Kaipara, our people and the massive potential here. Nga mihi nui kia koutou katoa.
