Being a commercially savvy banker, I would bring Financial acumen, Strategic thinking and Cultural diversity to the Kaipara District Council. Holding my values of integrity/fairness, I would contribute to making quality decisions efficiently. During two decades of dealing with individuals and businesses in New Zealand, my approach has always been solution-focussed.

I came to New Zealand in 2001 and have called Dargaville home for the past three years. I have participated in many community activities undertaken by the Rotary Club of Dargaville. My wife and I have undertaken commercial gardening in an endeavour to provide fresh vegetables to locals. I provide consulting services to people obtaining finance from banks. I want to be your voice in the council to reduce wasteful expenditure, help to solve local issues viz. Water Supply/Quality, Dogs, Footpaths, Rubbish, Sewerage etc. and find practical ways to contribute to the economic growth of Dargaville.
