

Kaipara District Council
Dargaville Ward
Electing 2 Councillors

Karen JOYCE-PAKI

My principal place of residence is not in the Dargaville Ward area.

Tēnā koutou katoa,

Thank you for supporting me in my 1st term it has been such an incredible learning experience which is why I am committed to continuing my

journey for another term. Dargaville has been my home for nearly 50 years, I love it here, our surroundings, our community and the lifestyle is fantastic!

Dargaville is growing rapidly and the pressure on our environment and infrastructure needs to be at the forefront of all conversations and decision making. Rates, roads and rubbish "the 3 R's" will always be a priority but there is so much more.

We need good policy, fair and transparent processes that are user friendly. My diverse background in local and central government are complimentary to making this happen and to ensure we have a voice. I am seeking re-election as the Dargaville Ward Councillor to make a difference where it matters most. Ngā mihi, Karen.
