

Kaipara District Council
Dargaville Ward
Electing 2 Councillors

Eryn WILSON-COLLINS

My principal place of residence is in the Dargaville Ward area.

I was born and bred in Dargaville and work as Practice Manager for a long established legal firm in town. I am fully committed to the future of Dargaville.

I bring positive commitment to ensure sustainable yet economic outcomes for you as ratepayers and residents - especially in this time of climatic crisis. I believe people and the environment are our town's most valuable resources.

I pledge my availability to the residents of Dargaville, to ensure that their best interests are presented and served. I am confident in my ability to carry out the duties entrusted to me and seek your support to achieve this.

Just so you don't think that my life is full of administration, I am also the current President of the Dargaville Little Theatre and I serve on the board of the Dargaville Community Cinema Charitable Trust.
