

Kaipara District Council
Dargaville Ward
Electing 2 Councillors

Marni STEWART

My principal place of residence is in the Dargaville Ward area.

I'd like to make a difference. I'd love to be your voice for the district.

I want to create development for our local parks, infrastructure, community events, and dear god make massive improvements to Rooding, Animal management and Tourism.

Born and Bred I am a local, my children go to the local school here and both my husband and I work for large companies servicing the lovely locals of the Kaipara.

I am 100% committed to making a difference. I am willing to listen to what you want to put on the table what you the people of the Kaipara wants, not what you want to hear.

I will do the hard yards. I will contribute in everyway I can for this community.

Thank-you.
