

Kaipara District Council
Otamatea Ward
Election 2 Councillors

Wayne LINTON

My principal place of residence is in the Otamatea Ward area.

Kaipara Born and raised, a local, married with two teenage children. Managing the Linton Family Beef & Dairy farm on the edges of the Kaipara Harbour with a focus on sustainable

practices that care for the land, livestock and people.

I have had 20 years involvement with the NZ Young Farmers including National President and the Young Farmer Contest. My local community involvement has included BOT chairman at the Maungaturoto Primary and Otamatea High Schools, the Marohemo Hall Committee and the annual Paparoa A&P Show. I stood and was elected to Council in 2010 and as one of the "new Councillors" fronted up to the past issues and major problems facing the District, not afraid to make the tough decisions needed, I believe we were the catalyst for the positive change we have today.

I'm standing again to support you as a voice representing our local communities and asked for your vote.
