

Kaipara District Council
Otamatea Ward
Election 2 Councillors

Ian MILLER

My principal place of residence is in the Otamatea Ward area.

Ian Miller has lived in Paparua, in the Otamatea Ward of the Kaipara District since 2016.

A committee member of the Paparua Progressive Incorporation (PPI), he has a background in

Engineering, Journalism and Information Technology.

He recently authored a book on the life and times of Una

Lindqvist, who lived her whole life in the Paparua/Pahi district.

Previously he lived in West Auckland, and for many years was a member of the Massey Birdwood Settlers Association, representing residents and ratepayers.

He believes residents and ratepayers in the Otamatea Ward deserve strong representation on Council.

He believes the most important issues in Otamatea are the effective and timely maintenance of both sealed and unsealed roads, planning for increased tourism and making sure ratepayers enjoy the benefits of an enhanced Council IT system, with improved communications and the transparent and effective exchange of relevant information.
