

Kaipara District Council

Electing the Mayor

Ash NAYYAR

My principal place of residence is in the Kaipara District Council area. I am also standing for Wairoa General Ward.

NZ Citizen. Chose to reside in Dargaville six years ago. My wife Mamta and I've enjoyed every minute of our time here. As a member/President

of local Rotary Club, I have supported many community projects. My priorities are:

To grow Kaipara, making it an inclusive and prosperous community through good management, open decision making and by listening to the needs of fellow-citizens.

Stop wasteful expenditure. Direct Council's resources to improvements in roads, footpaths, drainage, and all water needs. Improve services for youth and the elderly making Kaipara a great place to live and work in.

Bachelor of Commerce, MBA-Finance (McGill-Canada). An experienced banker who has helped turn-around many struggling commercial operations into profitable ones.

Will contribute to Council in financial matters and ensure that money, our rates, are carefully managed to enhance our communities.

Vote me in: To lead with integrity, honesty, and commitment to help create a better Kaipara.
