

Kaipara District Council
Kaiwaka-Mangawhai General Ward
Election 3 Councillors

Dennis EMSLEY

My principal place of residence is in the Kaiwaka-Mangawhai General Ward area.

I am neither a career politician nor academic, but I care deeply about my fellow human beings and the community in which they live. I want to do right by them wherever possible, and speaking forthrightly, serve as their voice and link within the local Council. Having a broad spectrum of knowledge and experience, I strongly believe I can do this well and to the best of my ability if elected.

Doing research, listening to the needs and wants of fellow community members and working on community projects that will help deliver those needs and wants wherever possible has always been a passion, and I would like to continue to give back to the community as a Council representative.
