

Kaipara District Council
Wairoa General Ward
Electing 3 Councillors

Gordon LAMBETH

My principal place of residence is in the Wairoa General Ward area.

Being a 6th generation Northlander from a farming background my passion runs deep for the province.

For 27 years I served as a Sworn Officer in the New Zealand Police, mostly serving the community of the Dargaville & Northland. After finishing in a supervisory role, I turned my part time business into a thriving Architectural Design practice.

As a Designer I am involved in designing houses for clients - turning their dreams into reality while keeping their budgets manageable. Solving their problems and dealing with Regulations during the building process is my core business. Over the next three years the council are rewriting the district plan and it is vitally important that there is a practical, reasonable voice within Council who has a working knowledge during the decision-making process.

I am strategically focused and believe in the aspirational vision and ongoing advancement of the Dargaville and greater Northern Wairoa areas.
