

Kaipara District Council

Electing the Mayor

Gordon WALKER

My principal place of residence is in the Kaipara District Council area.

I am from an Irish fifth generation pioneering family in the Kaipara.

Born in Te Kopuru and raised on the Walker Family Farm in the Kaipara.

I have had a successful career in Banking, Finance and the Motor Industry, where I have gained a wide knowledge of Business Management, the ability to listen to people and treat everyone equal.

It is now time to give back to the Kaipara as your Mayor.

I can continue my passion for the people and the rich history of the area.

The Kaipara has a solid and successful Agricultural and Forestry foundation. I will continue to build on this foundation and encourage further major investment into the area. Together with protecting the Farming Community.

Tourism, has huge potential. The Kaipara has a wealth of Scenic and Cultural attractions. The Kaihu Cycle trial will be a major new contributor.

Let us move forward together.
