

Kaipara District Council
Te Moananui o Kaipara Māori Ward
Electing 1 Councillor

Henry Anthony HOLYOAKE

My principal place of residence is in the Te Moananui o Kaipara Māori Ward area.

Kia Ora Koutou Katoa.

Te Moananui O Kaipara Maori Ward allows our people and Whenua to have a voice and be represented but only if we embrace the

opportunity and work collaboratively together.

I have been in governance roles both commercial and community including Maori Trusts, Education and Sporting Boards. While running a building company that specialises in Marae builds, I also tutor for Northtec in carpentry in Dargaville and my passion lies with the knowledge resources and opportunities that can be created for our people.

Let me be your vessel, I can promise you I will always act with passion and integrity and will not compromise this for self gain.

Nga Mihi
