

Kaipara District Council  
Kaiwaka-Mangawhai General Ward  
Election 3 Councillors

---

---

**Jonathan Graeme LARSEN**

Independent

My principal place of residence is in the Kaiwaka-Mangawhai General Ward area.

Involved in Kaipara district all my life and own property at Kaiwaka and Mangawhai. As an incumbent Councillor, I believe Council should primarily be run for the benefit of ratepayers and

residents. I have farming, forestry, land development and conservation experience, and twenty years' service as a professional firefighter and station officer. Bachelor of Science, Master of Business Administration (first class honours), Massey University; chair endorsed Resource Management Act Commissioner. Opposed to the undemocratic imposition of central government's reforms including Three Waters.

Key focuses: Supporting local projects - helping local communities get maximum benefit from council funds.

Keeping you informed: regularly communicating issues in local newspapers and social media.

Ensuring transparency: pushing for Council meetings and briefings to be in public.

Holding Council to account: insisting on fair processes when you deal with Council, and getting good value for your rates.

Endorsed by Democracy Northland.
