

Kaipara District Council
Kaiwaka-Mangawhai General Ward
Election 3 Councillors

Martina TSCHIRKY

My principal place of residence is in the Kaiwaka-Mangawhai General Ward area.

Hi, you might know me through my business Flowerpower Northland - I am a qualified florist working from home and originally from Switzerland.

My husband of thirty years and I live on a lifestyle block close to the Heads. We bought in 1998 and have seen a lot of changes in the area - some of them rather disturbing.

In 2006-2007 I was one of the lucky participants of the Kaipara Leadership Program led by Auckland University and that gave me the tools to become the chair of the Mangawhai Ratepayers and Residents Association before Bruce Rogan took over. I also had a stint on the Board of Trustees at Rodney College and am currently chair of the Friends of the Brynderwyns.

I feel passionate about the Mangawhai-Kaiwaka area and the environment and put myself forward so that you, the voter hopefully has a choice.
