

Kaipara District Council
Kaiwaka-Mangawhai General Ward
Election 3 Councillors

Mike FERGUSON

My principal place of residence is in the Kaiwaka-Mangawhai General Ward area.

I have gratefully accepted my community's nomination to run as our councillor. Being generationally connected with a long and varied mixture of involvement in the community. Now is the time to make a difference particularly given the number of issues facing us. I bring to the table an intelligent common-sense approach from a background of service. As a retired NZ Army Officer, who after a successful career in the corporate world moved back to Mangawhai to pursue a passion in education where I can reside and contribute in the community that is my Turangawaewae and I am generationally connected to. I bring a diversity of experiences, connection and history to the council table in representing Mangawhai. I look forward to serving you with moral courage and integrity with service that is not based on any hidden agenda other than to preserve and enhance what makes our community unique.
