

Kaipara District Council
Te Moananui o Kaipara Māori Ward
Electing 1 Councillor

Pera PANIORA

My principal place of residence is in the Te Moananui o Kaipara Māori Ward area.

In my first term I will fiercely advocate for the things that matter including the environment, people and affordable housing. I bring a fresh perspective to this newly enacted seat plus the

skills, qualifications and experience to make it count.

I was born in Dargaville. I am of Te Roroa Ngāti Whātua and Te Kuihi, Ngāpuhi descent. I want to help our people to thrive.

I have practiced Law in Dargaville for 6 years prior to transitioning into my role leading Ngāti Whātua in the environment and natural resource space.

In my spare time I have volunteered as Marae representative, trustee of Te Roroa and DYCT, various working groups & was proudly part of Matike Mai constitutional transformation report led by the late Moana Jackson & Margaret Mutu.
