

Kaipara District Council
Kaiwaka-Mangawhai General Ward
Election 3 Councillors

Rachael WILLIAMS

My principal place of residence is in the Kaiwaka-Mangawhai General Ward area.

I've been fortunate to call Mangawhai home for 18 years. My partner is Dave, a local builder and together we have raised three daughters here. I have experience in the building, administration & retail sectors. Serving our community in varying voluntary roles has been a highlight. Working on Kindergarten, MBS School and Netball Club committees, also as Secretary and active member of Mangawhai Matters, our local residents action group. I have observed and attended in person many council briefings, meetings, workshops and have also been involved in submissions and hearings on a wide range of local issues. With very difficult economic conditions and ongoing pressures from government reform, my focus will be on affordable rates, effective consultation & communication, responsible development and the greenspace-amenity issues our growing community faces. I am determined to bring a dependable local voice to the council table, pursuing commonsense outcomes for our Kaipara communities.
