Notes

1. Council's contractor will provide all necessary components to complete the connection from the main to the property boundary. If the distance from the main to the boundary exceeds 2.0 metres, Council reserves the right to recover actual costs.
2. Council's contractor will provide the meter and install onto an existing connection at the boundary.
3. Council's contractor will only make the physical connection to the Council main and install the toby/anglemain valve. The applicant will carry out all other physical works.
4. This section applies where applicable to all connections:
 - a. Where a larger meter is required a quote will be obtained from Council's contractor. This quoted cost plus 15% shall be paid to Council prior to work commencing.
 - b. Where a connection is not straightforward (e.g. crossing a road or lifting cobblestones) a quote will be obtained from Council's contractor. The quoted cost plus 15% shall be paid to Council prior to work commencing.
 - c. Where land is being subdivided, it is the subdivider's responsibility to provide a water connection to each lot and connect the development's water supply reticulation system to the public system. In all cases connection to the Council main shall be done by Council's contractor and payment shall be made directly by the subdivider to Council's contractor.
 - d. Council expects payment to be made when submitting the application to the Council offices. Exceptions will be non-straightforward connections where a quote is needed from contractors to inform applicant of connection costs. If this is the case Council will contact the applicant in regard to payment. Please note no connection will be scheduled in with contractors until payment has been made.

Hire Charge Guidelines

Definition of Private or Profit-Making

- Any private function, not open to the public.
- Any function or activity run for the profit of a business, private individual, family or Family Trust or firm.
- Any Government department.
- All Churches and political parties, union or employer organisations.

Definition of Community Group

- All non-profit-making groups; all income used for groups aims.
- Be open to all members of the target community without restriction of religious or political belief.
- All groups operating a service or activity beneficial to the community; providing a recreation, cultural or community service or activity.
- Schools from within local area/district boundaries.
- Have no other source of income other than members' fees, fundraising and grants.

Definition of Social Service and Voluntary

Those groups which primarily exist to provide social services to address particular needs in the community.

Those groups which primarily exist to provide a co-ordinating function for a number of common interest community groups, working in partnership with Council. Examples include: Youth Aide, Blue Light, OSCAR, Regional Sports Trusts, Blood Donor Collection, Mental Health, Shared Vision, Council's Health Forum and Youth Forum.

Activities and functions organised by partners in conjunction with Council's projects and / or programmes.

Council Reserve of Rights

Council reserves the right to amend Charges, Hire Guidelines and Conditions of Hire from time to time without notice.

The status of some groups or organisations can change depending on the project, programme or activity requiring facilities. Council reserves the right to decide which rate type is applicable on the merits of any such applications.

Example: A Church wanting to run a youth event for the benefit of local youth or community open to all, any fees charged are to cover costs or for the benefit of the community and not as profit, is different to the same Church wanting to hire facilities for their Church services or run house.
