

## Peter WETHEY

(Independent)

*My principal place of residence is in the Kaipara District Council area.*

Continuing positive progress.

Elected councillor in 2016, I reaffirm the commitments I made then of transparency, accountability, consultation, collaboration and communication, to which I have adhered since the 2016 election.

As deputy mayor from October 2016 I understand the workload of the mayor. I am ready, willing, experienced and able to take it on.

I will seamlessly continue to lead positive change and provide the stability that Kaipara needs.

I am focussed on the future. I will be a mayor for all of Kaipara - reflected by my nominators from both the western and eastern parts of the District.

I am married to Jane Yates. We live in Mangawhai. My business career was in senior management in the pulp, paper and meat industries and running my own business.

I believe Kaipara is now moving in the right direction and I'm committed to continuing this progress. I seek your support.
