1	Keep it world class! Dream big! And get on with the building bike lanes to connect to the wider community... kids should be able to safely bike there at least from both community centres.. and beyond!	2/15/2018 10:47 AM
2	A priority for the Council to allocate funds from the reserve contribution fund to complete MAZ. The funds are there the Council just needs the courage to use them.	2/14/2018 3:38 PM
3	We would like walking tracks created from the Maz park down the the Pioneer Village/Museum to enable a safe environment for the woman with prams with a rolled metal service. Created Merz Hut before the history is lost forever. Like to see more buildings coming into the Pioneer Village with the opportunity of the buidlings to be rented on a regular basic. The main road and footpath down to Village is urgently required on the park side to enable the safety of pedestrians. An area where dogs are under control however can room free.	2/10/2018 11:07 AM
4	They need a pool	2/9/2018 3:43 PM
5	It's great	2/9/2018 11:22 AM
6	all entities are operational, how will KDC assist these groups (not for profit) to operate? Yes fundraising is essential, but as a council governed park there should be some requirement/commitment of a financial type to the park by KDC. If this won't happen, perhaps look at making it easier to implement fundraising activities (make it easier to hold events and actually HELP by working with these organisations re consents required, parking and traffic movements). There is currently no common standard upheld by KDC in respect to this.	2/9/2018 11:17 AM
7	Would be wounderfull to see a swimming pool of some kind. Thanks for all the hard work people from the community have put in.	2/9/2018 11:12 AM
8	Te Whai Trust/Community House should be number 1. Create a community house for community use with Te Whai Trust. Keep as much of the bush tracks as possible Track creation - and maintenance, pushchair friendly and dog friendly	2/8/2018 1:09 PM
9	Te Whai Trust would like to eventually have a permanent community centre. Carparking needs to be priority throughout the whole Mangawhai district Ongoing maintenance of tracks plus access for pushchairs New art gallery definitely important to add into Pioneer Village but has a premise that's working presently MAZ is an amazing facility that envy of other small communities All of these are important and cater to different areas of the community	2/8/2018 1:07 PM
10	Uses the Community Trust	2/8/2018 1:03 PM
11	Suggestions: - A mini bike park (Alexandra Central Otago has one) with roads for kids, traffic lights, giveways etc. Plus BMX track - Push chair friendly walks - Treehuts - Construction Play area (safe) - Water park like Auckland has - Orienteering tracks - Old tractor/digger for MAZ - Hopscotch on concrete - Big recycling bins (the ones where you put glass in one and plastic in the other) -Covered area for sport during the winter, as there is nothing to do when it rains We are happy to get involved, Mike & Libby Clews 021 797 712	2/8/2018 1:02 PM
12	I am a member of the Te Whai Community Trust and we are in need of premises for community centre at the moment we are using the Tara School Building.	2/8/2018 12:57 PM
13	it is looking really awesome, so well done so far.... my 3 kids arent skate boarders, so they are abit gutted the tennis court got put in where they use to scooter, and the concrete track around the play grounds are way to busy for scootering around.... we know u can scooter at the skate park but its normally filled with skaters which.....we went oh a holiday to pahia and at thr school they have this awesome scooter track with jumos and dips and lots off different tracks so you dont just have to go around in the same loop.... my 3 kids loved it... and so easy to make..... if you go to paiha go see it at the school, its a real hit in the holiday, or it could be on thr school websight..... also a sound sheel or stage would be cool to have.....or a rugby post to kick goals...thanks	2/8/2018 10:36 AM

14	I think its a great park you all have done amazing. Would love to see more for little preschoolers like even a closed in partly shaded area for the slightly more "free" spirited ones whos parents just need a wee break from trying to keep them in one place. Perhaps it would also be a perfect place for a Mums and bubs friendly cafe lol. (Or parents and kids, not just Mums...) - hubby is also keen on the cricket pitch you have put in, perhaps some practice nets for batters and bowlers would be good since thats kinda been taken away from the Domain now	2/8/2018 9:35 AM
15	The lower fields of the Maz and mountain biking trails need some funds ! Everyone doing a fantastic job constructing all of these awesome local facilities !!!	2/7/2018 8:38 PM
16	I think it's an amazing asset to the community and I'm very thankful and appreciative for all those who have put in time, money, and labour into making it what it is ??????	2/7/2018 6:36 PM
17	1. There needs to be safer access way to the park for children, prams, bikes etc. The current pavement on the opposite side of the road (commercial side) is dangerous and too busy. A track/walkway could be formed starting near Info Centre and cut a path through existing forest to MAZ and then continue down to Museum. Possibility of some pedestrian crossings near Museum to allow foot traffic to cross to other side to join up with current walkway. 2. Current crossing point into MAZ needs to be a proper zebra crossing with orange beacons on poles. Vehicles go too fast along this stretch of road and kids trying to cross are at risk. 3. Would be great to see further planting around the MAZ playground & skatepark. Picnic areas with shade (perhaps trees planted with future shade in mind). 4. Recycling bins available rather than general waste bins 5. Pioneer's Village - can one of these buildings be utilised for public use such as a community theatre/cinema? The old church would be perfect for this and our town is currently lacking in such a service. 6. Love to see a dedicated Dog Park somewhere in the Mangawhai Park. Currently there are no good options for dogs to play/exercise/socialise with other dogs, other than at the beach which is not always ideal. A specific area dedicated just to dogs would be well utilised in this dog-friendly town. Long grass areas, space to run and chase a ball, exercise area, wetland that dogs can go into etc. Thank you and hope this is helpful :)	2/7/2018 2:54 PM
18	Me and my children love maz!	2/6/2018 12:16 PM
19	More sunshade for the parents please while the kids play	2/5/2018 3:07 PM
20	Love the walk ways! Also think the park is great for all of the kids	2/5/2018 10:19 AM
21	I should like to see the Fire Station next to the Ambulance Station. Some native bush retained. Easier access between sites within the Park.	2/4/2018 3:05 PM
22	We need safer,hard surfaced walking tracks for pushchairs. Safer access to the park. More parking. More money given to the worthwhile projects so they can complete. More green areas created with seating. More roads within the park for access.	2/4/2018 9:58 AM
23	A footpath along Molesworth Drive that can be used going from the bridge right around to the information centre.This would connect all the activities and eliminate crossing the road	2/3/2018 3:54 PM
24	I'd like to see more shade over picnic areas, waterbottle refill -current drinking fountain doesnt always work well.	2/3/2018 12:17 PM
25	Would be great to have more water fill stations, drink fountains as a feature. The Plastic free Mangawhai group and Love Kaipara group have gained some great momentum and can use this as leverage for putting Mangawhai on the map as a green holiday destination	2/1/2018 9:39 PM
26	I'd love to see a soundshell or the like. Something where the community could get together.	2/1/2018 9:30 PM
27	I would like to see a drink bottle refill station and zero waste facility.	2/1/2018 8:06 PM
28	The waste management at the park is archaic. Surely a community facility like this could look at waste and recycling. The current system if a few overflowing bins isn't good enough and isn't teaching out young ones anything good. Waste flies around and ends up in the estuary.	2/1/2018 6:10 PM
29	Would have been great to have FULL size public tennis courts for every one to use . Current court isn't full size, two courts would be great	2/1/2018 8:31 AM
30	No	2/1/2018 4:15 AM
31	I would like you to consider an area for motor cross.	1/31/2018 7:30 PM
32	Keep up the great work! How about a swimming pool complex.	1/31/2018 6:33 PM

33	More directional timing signs on tracks. Markers to show one is on a track and going the right way. When placing markers. Think like a visitor - where could they take a wrong turn and end up miles away from their car. How do they get back to the main road?	1/31/2018 1:54 PM
34	lookout be maintained Gully near road and bowling club/MC Carpark be gradually filled and compacted by layer over next few years to become useful	1/31/2018 1:52 PM
35	Would like to see weed control included in the plan; could be done by volunteers; keen to see cycling access track through park to enable cyclists from village to Heads able to get off Molesworth Drive	1/30/2018 11:24 PM
36	More council funding from developer contributions please !	1/29/2018 11:17 PM
37	Need more activities for the kids besides just skating , bmx tracks ,bike trail ,a rope course ect	1/29/2018 1:40 PM
38	A bit sick of people taking their dogs to the playground.	1/29/2018 7:45 AM
39	Awesome facility	1/29/2018 7:33 AM
40	It is an amazing resource for the community. So great to have a place that caters so well for a variety of interests & outdoor activity	1/28/2018 11:23 PM
41	We are so lucky to have such incredible facilities in Mangawhai	1/28/2018 9:17 PM
42	It's fantastic	1/28/2018 4:10 PM
43	No	1/28/2018 2:50 PM
44	Finish the concreting of the skate park to stop sand erosion	1/28/2018 12:45 PM
45	An Outdoor Pool that includes Lap swimming.	1/28/2018 12:18 PM
46	It would be cool to set up an staging area to be used for fundraising events. Eg: Kids concerts in the park, outdoor movie nights. Etc	1/28/2018 12:14 PM
47	The pump track that has been built by the soccer field is (sorry to say) beyond a joke. It needs to be scrapped and started over before any more money is put towards it. Far to narrow and the corners and beyond a joke when it comes to how tight they are, no possible way to make any of them with any kind of speed.	1/28/2018 11:39 AM
48	I think it is a FANTASTIC attribute. A small movie theatre such as in Wanaka, would have been the ultimate.	1/28/2018 8:23 AM
49	Please dont put internal roads through park, this will take away from the natural beauty, and quite peaceful nature of what we have left. LESS IS MORE!	1/28/2018 8:21 AM
50	Looks like it might need sportsfields since the domain committee don't want sports there	1/28/2018 8:15 AM
51	Please don't exclude dog walkers from using the tracks - we get a lot of pleasure from this public space too	1/28/2018 1:22 AM
52	Its been fantastic to have the shade sails installed over the swing areas. Any chance they could be installed over the pirate ship and kids tunnel structures? The slides that come off them get dangerously hot during the day and the kids cant use them. Just a thought. Thank you for providing this wonderful park for our children! ☺ Regards, Helen Bennett	1/27/2018 11:05 PM
53	It's awesome	1/27/2018 10:48 PM
54	An awesome facility, very good minds behind its development, good people running it. Friends from outside Mangawhai are very jealous of our Park. Needs better security against vandalism.	1/27/2018 10:34 PM

57	no	1/27/2018 10:19 PM
58	Stop starting multiple projects at a time and leaving a whole lot of unfinished projects! Put all funding and effort into one project to get it 100% completed then move onto the next	1/27/2018 6:27 PM
59	We are getting some very unsavoury people there lately. Our Kids have been picked on and told to Piss off by people holidaying here	1/27/2018 3:49 PM
60	Water feature	1/27/2018 3:06 PM

61	It's amazing!! My boys love it. So nice to have outdoor activities for them. We also love the walking tracks and outdoor fitness area. Nothing else like it around. So good for families and youth.	1/27/2018 12:01 PM
62	Volunteers are doing a fabulous job. The Park needs funds from The KDC Reserve Contribution Fund urgently	1/27/2018 11:05 AM
63	Some more shaded seating would be great, and keeping in mind our communities bigger, older kids	1/27/2018 10:54 AM

65	No	1/27/2018 6:30 AM
66	It's amazing and we are so thankful and proud to have it in Mangawhai!	1/26/2018 12:40 PM
67	The skatepark needs priority to be finished. Skateboarding is now an Olympic sport and this would become a world class facility for a NZ team to train.	1/26/2018 10:42 AM
68	Need to be funded local and user pays	1/26/2018 10:28 AM
69	Keep up the great work!	1/23/2018 2:47 PM

84	Fantastic facility - well worth developing.	1/11/2018 11:37 AM
85	Great work team	1/11/2018 11:36 AM
86	Hot springs would be lovely	1/11/2018 11:34 AM
87	I suggest there be a dedicated dog exercise area somewhere close to MAZ (in order to get dogs off our beaches where there is a major conflict with beach-goers)	1/11/2018 11:33 AM

99	Road widening/centre island, footpaths	1/11/2018 11:12 AM
100	Needs to continue to grow and service the community. Needs to be a Major development in Long term plan.	1/5/2018 3:40 PM
101	We use the park weekly sometimes 4 times a week and believe we are the biggest organised user group to do so. 30 children from the Mangawhai Rayders Cycle club ride and maintain the trails around the park. As the local bike store we are frequently asked where the best place to ride mountain bikes is. We tell them Waitangi mountain bike park, Whangarei Mountainbike park or the town basin for family rides and then we recommend MAZ. Cycling is one of the biggest recreation activities and has turned Paihia, Rotorua and other small towns with pump tracks and trails into cycling paradise.	1/5/2018 11:36 AM
